Jason & Tabby Backyard

Mary,

It has really been a great year with you as my friend. We have had lots of fights. But we always seem to make up! I'm glad we always make up too!

I hope next year will be the same as it was this year!

We really didn't start out this year as good friends! In fact we almost hated each other! We got a whole lot closer at that High School game at Dresden! (when I broke up with Adrian!)

We rode the High School bus up there and sat with Big Benji Harris! We had a great time!

Remember when we played Addition on our B-Ball Bus to creation? That was what I called fun! You and Jamie started going together the next day! (Ha! Ha!)

I hope now wherever you find will be the right one for you (and don't use you like some persons did!) I've found the right one I know!

Well got to go coming out of town! Bye!

Your best friend forever

Jennifer Wilkerson

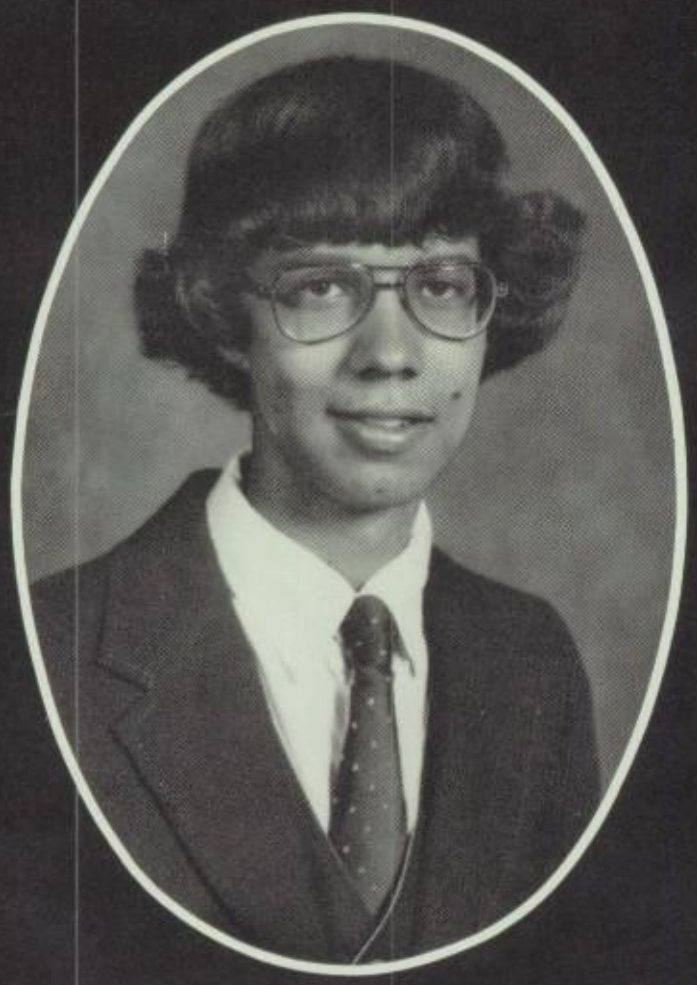
MR. AND MISS SENIOR

FREIDA MANSFIELD ***BENJIE HARRIS***

It has been a privilege to have been associated with you during the past few years, for I have had the opportunity to watch you grow collectively as well as individually. As you approach your last days at Palmersville High School, I hope that you will reflect upon your experiences with an endearing fondness and that those experiences will have prepared you for the challenges that lie ahead.

Beth Oliver



We, the Senior Class of 1984, would like to express our gratitude to everyone responsible for our properous years at P.H.S. Above all, we would like to thank our parents and faculty for their dedication to our education. As our underclassmen flip through these pages, we hope that they will consider us to have been good examples and that they will have the best of luck in their future endeavors.

CLASS

I, Russell Cherry, being of awesome mind and hung body, will to Kristi one bag of M&M's and to Kristi and Lisa ll my various facial expressions and to Bruce Milbrath my Rick Springfield hair-do and finally to everyone my ability to be the Master and Cause of Ultimate Ecstacy.

I, Brian Milbrath, being of superior mind and body, will something to everyone. If you would like to know what you've been willed see me personally.

I, Gary Hill, being of as little mind as possible, will to the following: To Robbie Wilkerson one wrecking ball to clean his locker with. To Mrs. Oliver six more years of sanity until Shannon Mayberry hits high school. And to my sister, Lori, one more hectic year at P.H.S.

I, Eric Young, being of genius mind and athletic body, will my superior basketball talents to anyone who dares to be called No. 1, and I leave to any new students next year at Palmersville the ability to have a good-looking girl within the first three months.

I, Robert Wilkerson, being of cruel mind and body, will to my biggest teacher a portable bathing kit which includes the following: 1 bar of Soap, 1 can of deodorant (of his choice) a bucket of water, wash cloth, towel, and a lighter to burn the after-effects. To Jim Luckett My "OLD" smoking block. To Lynette a pair of mud-grip shoes. To the rest of the graduating classes the ability to look at school as a big joke and keep on laughing.

I, Gina Jackson, being of small body and no mind, will to Christi Harris a blowdryer and all the red chili she can eat. To Lisa Donoho a step ladder. To Kristi Murphy (Murt) a dry pair of pants, and to Justin Moore all my old teachers.

I, Brent Montgomery, being of master mind and massive body, leave all my possessions to the following children: To Kevin (the future John Holmes) McAlpin, I leave one date with Brooke Shields. To Gath Meeks (Barber) all my awesome basketball moves. To David Parnell all my talent with the girls. To the future leaders of the high school all my ego and the big head. And to all the students of Palmersville, the good times I had, the bad times I had, and the many girls I didn't have. (Thanks for nothing)

I, Alice Foley, being of crazy mind and desired body, will to the following: To Danny Joe lots of love and the ability to graduate. To Rachel lots of luck with Timmy and the ability to stay out of trouble. To Tony and Jeremy the ability to stick with school and graduate. To Renee the ability to sit on a car without falling off on her head. To everyone else at P.H.S. a lot more wild and crazy

WILL

times.

I, Renee Bynum, will to Robbie Wilkerson the weird things that float down Sprout's. To Jerry James the ability to be act and look innocent at all times. To Jim Luckett a machine in the bathroom at the stables. To Lisa Donoho the ability to unscrew a light bulb. To Kristi Murphy (Murt) a two-week vacation with Banana Man. To Christi Harris an incontrolable grin. And to next year's annual editors free passes to an insane asylum.

I, Benjie Harris, being of sound body and little mind will to the following: To my little brother, Keith, the ability to be an awesome basketball player and my height and muscles. To David Parnell my ability to get up and walk out of study hall without getting caught. To Mr. Henry, the front seat of the bus so he can stand up and watch everyone going to the Mid-South Fair.

I, Freida Mansfield, being of weak mind and medium body, will to the following: To Rachel and Danny Joe the ability to stay out of trouble, Locker No. 1 and the ability not to eat too much cole slaw. To Danny Joe I leave my English grades (they're not too hot but at least you'll pass) and the ability to graduate. To J.W. the ability to get his homework before he gets hurt. To Dana the ability to go through school and make good grades and graduate with honors. To Danny Little all the luck with Teresa and the ability not to wreck every time he turns around. To everyone else lots of luck and more fun years at P.H.S.

I, Joey Jones, being of sound mind and small body do hereby will to Rachel my height and my locker. To Danny Joe my strength and the ability to go a full year without having a wreck. To my sister, Dana, the ability to pass with at least a 70 average and many more happy years at P.H.S.

I, Frank Potts, being of totally awesome mind and body leave the following: To "Skooter" more weekends like we used to have. To Lisa D. and Christi H. (my nuts) (P.J.) I leave a new home. To Dania, Michelle, and Angela (what they asked for) my body. To Kristi M. one heavy duty lip pincher, to Rhonda the best of luck at P.H.S. To my sister, Vickie, I leave her one ever living rhinoceros. To anyone I left out the best of luck.

, Mary Winter, being of sound mind and expensive body (P.J.) will to the following: To Lori Hill the ability to get a guy who won't stand her up. To Dean two Quarterflash tickets for the next concert maybe he'll have better luck at that one. To Danny and Rick the ability to go one day without shooting the noon and to Jon Welch two B-B's (P.J.)

In the years to come as we and our classmates flip through these pages we will always miss our years at P.H.S.

We have tried to compose a yearbook that will remind us of a name, a face, an event, or a place that we have forgotten. We would like to thank Mrs. Oliver for her help and support. We must also thank all of our teachers for their cooperation.
